

*Connecting  
life with  
Happiness*

 **neurocon** Inc.

## *Mental Health...*

*is not a destination but a process.  
It's about how you drive, not where you're going.*

Psychiatric disorders are increasing day by day due to the fast pace lives of the people, the stress and negativity is so much that they are not able to keep up the pace of life. Psychiatric disease can affect human's life at any age and thus interfere with the ability of a person to live happy and healthy life.

Thereby understanding the need of market, Neurocon Inc. has come up with Neuropsychiatry range of products for the diseases such as Schizophrenia, Depression, Bipolar Disorder, Obsessive Compulsive Disorder, Anxiety Disorder, Psychotic Disorders, G.I. Disorders, Painkillers etc.

Thus helping you to make the life of your patients.

*“Connecting life with Happiness”*
